

You believe in a second chance.

So does Goodwill.[®]

If you're 18-24 and have been involved with the justice system at some point in your life, it can be hard to move forward and find success in life.

LifeLaunch: GO is made for you.

- We'll help you get the skills and credentials you need to land a real job and start a career
- You'll get paid on-the-job training and employment placement, so you can start earning money
- Our mentors have been in your shoes and know what it's like—they'll guide you every step of the way
- Your record can be accessed for possible expungement
- We've got a whole support network to help you overcome any obstacles that you need to get through

At Goodwill, we believe everyone deserves a chance to thrive. That's why we created LifeLaunch: GO—to help you break free from the justice system and build a better future for yourself.

If you're ready to make a change and start living your best life, then let's do this. LifeLaunch: GO is here to help you make it happen.
